<td><a href="http://www.successforall.org.uk/">http://www.successforall.org.uk/</a></td>
<td>Cooperative Integrated Reading and Composition (CIRC) is a co-operative learning programme designed to help pupils develop metacognitive strategies for comprehending narrative and expository text. CIRC, under the name Literacy Wings, is used as the upper-primary reading component of the Success for All comprehensive reform model.</td>

Also reviewed on the following websites:
Programmes in the table above meet the following criteria:

1. **Availability**: Available to English schools for students aged 4-18.
2. **Support**: Clearly defined programmes, with training and support materials
3. **Evidence**: Have evidence of a positive impact on attainment from at least one robust trial.

**Using programmes**

The programmes listed above have been shown to be effective in at least five schools. However, this does not guarantee that they will work in all schools. If you are thinking about adopting a new programme, we recommend a careful consideration of context, implementation and evaluation. For more information about using evidence in schools, click here.

**Submit a programme**

If you would like to submit a programme for inclusion, please email: info@eefoundation.org.uk.
